

# Mac Studio

Before using Mac Studio, review the *Mac Studio Getting Started Guide* at [support.apple.com/guide/mac-studio](https://support.apple.com/guide/mac-studio). Retain documentation for future reference.

## Safety and Handling

See "Safety, handling, and regulatory information" in the *Mac Studio Getting Started Guide*.

## Avoid Hearing Damage

To prevent possible hearing damage, do not listen at high volume levels for long periods. More information about sound and hearing is available online at [apple.com/sound](https://apple.com/sound).

## Regulatory Information

Regulatory certification information is available on-device. Choose Apple menu  > About This Mac, then click Regulatory Certification. Additional regulatory information is in "Safety, handling, and regulatory information" in the *Mac Studio Getting Started Guide*.

## FCC and ISED Canada Compliance

This device complies with part 15 of the FCC Rules and ISED Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

## ENERGY STAR® Compliance

As an ENERGY STAR partner, Apple has determined that standard configurations of this product meet the ENERGY STAR guidelines for energy efficiency. The ENERGY STAR program is a partnership with electronic equipment manufacturers to promote energy-efficient products. Reducing energy consumption of products saves money and helps conserve valuable resources. For more information about ENERGY STAR, visit [energystar.gov](https://energystar.gov).

This computer is shipped with power management enabled with the computer set to sleep after 10 minutes of user inactivity. To wake your computer, click the mouse or trackpad button or press any key on the keyboard.

## Disposal and Recycling Information

The symbol above means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For information about Apple's recycling program, recycling collection points, restricted substances, and other environmental initiatives, visit [apple.com/environment](https://apple.com/environment).

## Software License Agreement

Use of this computer constitutes acceptance of the Apple and third-party software license terms found at [apple.com/legal/sla](https://apple.com/legal/sla).

## Apple One-Year Limited Warranty Summary

Apple warrants the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. Apple does not warrant against normal wear and tear, nor damage caused by accident or abuse. To obtain service, call Apple or visit an Apple Store or an Apple Authorized Service Provider—available service options are dependent on the country in which service is requested and may be restricted to the original country of sale. Call charges and international shipping charges may apply, depending on the location. Subject to the full terms and detailed information on obtaining service available at [apple.com/legal/warranty](https://apple.com/legal/warranty) and [support.apple.com](https://support.apple.com), if you submit a valid claim under this warranty, Apple will either repair, replace, or refund your hardware device at its own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.
